## PROJECTS

### BlackBox Feb 2020 - Apr 2020

<http://miniproject23.000webhostapp.com/html/index.php>

BlackBox is a mini project, we were a group of four. I worked on the front-end of the web application.

In black box, data is collected from sensor and stored

on the cloud and can be accessible from any place. That data is taken from the cloud for analysis and prediction, report is generated.

Here the

sensor we used was accelerometer.

### Tours and travel May 2020 - May 2020

<https://hummsafartoursandtravels.000webhostapp.com/>

This is an one week assignment by a company hummsafar. The website is made from scratch by me.
